Products for Healthier Communities

From health care facilities to schools and everything in between — Elkay® has a large selection of products that help you contribute to a safer world. You'll find copper sinks that kill bacteria and touchless bottle filling stations with lead-reducing filters. Here's a look at just some of our innovative products.

Elkay Is Here for You Today, Tomorrow and Forever.

Scrub, Hand Wash and Copper Sinks

Our extensive sink portfolio includes a variety of knee operated scrub sinks, foot valve hand wash sinks and copper sinks. Our antimicrobial copper sinks are tough on germs, killing more than 99.9% of bacteria* within 2 hours. Copper sinks are ideal for hospitals and medical centers, as well as public spaces such as sports and fitness facilities where hygiene is top of mind.

Recommended products:

Recommended products:

LZO8S2JO / EFA8SP2YJO / ENOBM82QK / EROM82K

Completely Hands Free

Custom units feature no-touch, sanitary, sensor-activated bottle filling stations and water coolers in a variety of styles and configurations.

Recommended products:

LZS8WSJOX + LZWSRJO (Filtered) / LZS8WSJOX + EZWSRJO (Non Filtered)
LZSTL8WSJOXC + LZWRJO (Filtered) / LZSTL8WSJOXC + EZWRJO (Non Filtered)
LZSTL8S2JOXC (Filtered) / EZSTL8S2JOXC (Non Filtered)

Filtration

Our filters are made with activated carbon to improve taste and odor. Many also reduce contaminants such as lead. Elkay filters are easy to connect and are self-contained replaceable cartridges, limiting exposure to contaminated media.

Recommended product:

51300C

*Testing demonstrates effective antibacterial activity against MRSA, Staphylococcus aureus, Enterobacter aerogenes, Pseudomonas aeruginosa and E. coli O157:H7.
